

Meet Our Speaker: ROBIN LAVITCH

Robin Lavitch is the Owner of Surpass Your Goal. She coaches and trains business about the sensible and absurd elements of human behavior through personality and body language.

She began her quest to pinpoint the secrets to success by trial and error, a Master's in Psychology, a Coach Certification, and continually biting off more than she could chew. She has integrated her background as a Dynamic Speaker, Professor, Counselor and Marketing Director, to learn the importance of leveraging your strengths.

Her approach inspires a variety of businesses to remove self-imposed barriers and seize opportunities. Her knowledge on leadership, persuasion, business planning and time management can be applied directly to attorneys for trial/jury consulting and doctors for marketing and leadership. Her passion is fueled when others taste victory and surpass their goals!
