

Meet Our Speaker: **Max Viera**

Max Viera is President of Viera Construction and Development. As a state certified Building Contractor he has been in business for over 30 years. His company specializes in the new construction as well as renovation of both residential and commercial buildings of all sizes.

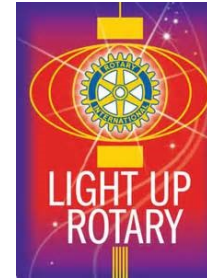

Max is also the council Vice president of membership and relations for the West Central Florida Council of the Boy Scouts of America. In this position he leads a dedicated team of Scout volunteers in the recruitment and retention of all Boy Scouts in Pinellas and West Pasco Counties as well as maintaining relationships with the Charter organizations. Not wanting to give up working with the youth, he is also a very active committee chairman for Troop 340, chartered to the Methodist Men's Club in Seminole. Max is also the council Senior Climbing and COPE Director. In this position he develops and over sees the Scout's climbing program which brings the adventure and personal development opportunities to the youth and adults of the council. On many weekends Max can be found at the Sand Hill Scout Reservation in Brooksville teaching Climbing and COPE skills or at a cliff in the Withlacoochee state forest facilitating natural surface rappelling. As a registered caver with the National Speleological Society, Max regularly takes youth caving throughout our state which may include a rappel entrance or a float through an underground river.

Max resides in Seminole with his wife Lisa of 20 years; their Eagle Scout son Maximo, 18; their son Daniel, 16, a Life Scout working on his Eagle Scout project – and their dog Molly who has attained the “wolf wannabe” rank.
