

Meet Our Speaker: **TIM INGOLD, JR.**

Tim Ingold Jr., as the Senior Director of Technology & Capabilities Engagement, Tim connects Jabil’s strategic technology and engineering investments with our people, our customers, our suppliers, and our industry. His team collaborates with innovators around the globe to inventory, understand, and socialize end-to-end solutions both inside and outside the company.

Tim has more than 17 years’ experience in the high tech services and education industries. In his past 15 years at Jabil, he has been an agent of change leading impactful programs to address broad business challenges in strategic development, process efficiency, globalization, financial control, institutional learning, and communications. Tim has held various leadership positions in Information Technology, Global Manufacturing Operations, Process Innovation, and Product Design Engineering.
