

Meet Our Speaker: **MAC PERRY**

Mac Perry is no stranger to Florida archaeology. He and his wife Faye live on a 2000-year-old Indian mound near Bay Pines, one of several mounds that have been dug in Pinellas over the past 20 years. Mac holds three degrees and has authored 12 books on such subjects as Florida gardening and landscaping, music, Christianity, Florida history, and Florida's Pre-historic Indians. His best selling *Indian Mounds You Can Visit* describes 165 Indian mounds along Florida's east coast. His latest, an archeo-murder mystery titled *Mark of the Shaman* takes place here in Pinellas in 1965. All of Mac's books are available on Amazon. Mac is Past Pinellas Horticulture Agent and owns Mac Perry's Lawn-Guard, a lawn and ornamental pest control company.
