

REMEMBER OUR CHILDREN PARK

Our Mission Statement

R.O.C. Park provides a setting that celebrates the lives of our children and remembers the joy they brought to this world. This memorial embodies a family's love, a friend's loss, and the compassion of our community.

We dedicate R.O.C. Park to the memory of lives gone too soon and their love that will endure. We hope to provide healing and support for those who visit from near and far.

May the beauty of this park reflect the beauty of love and life we experienced with our children!

"We held you in our arms for a little while, but we'll hold you in our hearts forever"

Our Purpose

To provide a serene setting for remembrance, recreation and meditation.

In this way, we plan to extend the memory of our beloved children we have lost.
