A few thoughts for the day...

1. A day without sunshine is like night.
2. On the other hand, you have different fingers.
3. 42.7 percent of all statistics are made up on the spot.
4. 99 percent of lawyers give the rest a bad name.
5. Remember, half the people you know are below average.
6. He who laughs last, thinks slowest.
7. Depression is merely anger without enthusiasm.
8. The early bird may get the worm, but the second mouse gets the cheese in the trap.
9. Support bacteria. They're the only culture most people have.
10. A clear conscience is usually the sign of a bad memory.
