

Meet our Speaker: **Linda Burhans**

Author, speaker and caregiver advocate, Linda Burhans has a message to share with those who have faced or certainly will face one of life's most difficult challenges.

In her recently published second book, "Connecting Caregivers - Answers To Questions You Didn't Know You Needed to Ask," Burhans welcomes readers to find education, encouragement , resources and relief.

Burhans put together a team of 18 professionals to share information that Caregivers really need to know. She weaves together humor and heartache as she recounts the ordinary, yet equally extraordinary moments of caregivers.

A dynamic speaker devoted to helping others by relating her inspirational stories, Burhans is eager to see others realize the strength they have within as they learn to celebrate love, laughter and the lessons of loss.

"We all must learn to live in the moment, or we risk missing out on so much." Burhans said.

Guaranteed to make you laugh through your tears, the extremely personable Burhans is available for speaking engagements and workshops for caregivers, healthcare and assisted-living facilities, civic organizations , clubs, churches and all others seeking wisdom and comfort from someone who has traveled the universal caregiver path of love and loss.
