The Florida Code Explained {for all of our visitors}

When giving directions in Florida, you must always start with the words, "take I-75, "take I-4 "or "take I-95."

When crossing the border into Florida, forget all driving rules you ever knew.

Tolls are a fact of life, the state has to make money, so deal with it!

I-275 (Tampa area) will always be under construction ... that's the law and there is nothing anyone can do about it, period!

If you travel more than 5-10 miles on any road in any part of Florida without seeing an orange barricade, you're lost!

Traffic lights are not timed and never will be.
