

## Meet Our Speaker: **Clarence Faucet**

Having been employed by Peninsula Telephone Company in April 1954 and retiring in January 1984 I was privileged to see the growth between St Petersburg and Clearwater and involved with business phone service including the Seminole area over almost 30 years.

My wife was diagnosed in the Fall of 2004 with memory problems... that gradually worsened over the next 12 years. I became involved in an Alzheimer's Support Group in March 2010 after she started attending an Adult Day Care Program at the Largo Neighborly Care Center and still attend weekly meetings there to help those entering the field as a Caregiver negotiate a very challenging period in their life; possibly more than the person afflicted.

It has been my honor 6 times to speak to aver 200 Pinellas County Sheriff's Department Correctional Officers to give them an overview of those detained who may have memory issues...My Wife passed on July 13, 2016 not knowing anyone in her family of 4 children and myself after being married for 66 years and 7 months.
