

Meet our Speaker: Elizabeth Bunbury

Elizabeth Bunbury, is the founder and Executive Director of The Answered Prayers Project. She believes that lives are strengthened and hearts are mended through sharing our personal stories. APP uses the medium of clay and fabric to unlock the hearts of women working together. Under her leadership APP has produced over 45,000 clay crosses shared in 50 states and 30 different countries and there are more than 3,500 stories of triumph, tragedy and resilience registered on the Answered Prayer Project website tied to each numbered piece of clay. Most recently, Elizabeth has launched *Sewn Together*, a workforce readiness training program for low-income women to teach sewing skills with an emphasis on community building. She received her B.A. in Sociology and a minor in Art from Skidmore College in 1980. She is an author of three books and sought-after inspirational speaker. Early in her career she held positions as Admin. Asst. at Norell Health Care and Thompson CGR. She started a newspaper called Mother's Network and sold it to raise her family. She was a stay at home mom for 25 years until life took its turn. During her years as a mother she volunteered at St. Paul's School beginning their art program and then teaching it for 6 years.
