

Meet our Speaker: **Jeff Etter**

Sue and Jeff Etter have been members of the Seminole Community for more than 40 years. Over the years they have been active in a number of projects deemed by residents to be important to our local community such as the 1999 re-development of Old Oakhurst Road and the community's most recent attempt to preserve and Save the Seminole Water Tower.

Just over 3 years ago Jeff and Sue were invited by community friends to become active supporters of and volunteers with the growing Seminole Historical Society. Sue and Jeff both serve on the Historical Society's Board of Directors. Sue has developed and maintained the Museum's website, graphics and digital presence and has played a significant role in the physical development of the Museum.

Jeff has assumed responsibility for the Society's monthly Speaker Series and has helped to turn this monthly speaker event into a well respected and growing community event that regularly attracts crowds ranging from 75 to 250 people to the Museum.
