For Grins and Giggles:

Completely ignoring the sign, the woman ahead of me had slipped into the check-out line pushing a cart piled high with groceries.

Imagine my delight when the cashier beckoned the woman to come forward looked into the cart and asked sweetly, "So which six items would you like to buy?"

(Wouldn't it be great if that happened more often?)

Because they had no reservations at a busy restaurant, my elderly neighbor and his wife were told there would be a 45 minute wait for a table.

"Young man, we're both 90 years old," the husband said. "We may not have 45 minutes"

They were seated immediately.
