

Meet Our Speaker: **Vivian Haicken**

Vivian Haicken has been affiliated with the Florida Botanical Gardens, since the dinosaurs roamed the earth. She joined the Friends of the Gardens in 1996. Because Vivian was “a highly sophisticated technically savvy person” (She knew how to “use the internet”) she offered to research online for names of other gardens, and after doing so, suggested the name Florida Botanical Gardens. The Friends group agreed to the name, and thus the Gardens officially became the Florida Botanical Gardens, which was incorporated a few years later into the Fl Bot. Gardens Foundation. She has worn several hats, President, V.P, Chair of Membership, chair of the Children’s Garden, and most recently Chair of Development.
