

Meet Our Speaker: **Corey Gray**

Corey Gray is a Planner with the Pinellas County Planning Department. He recently graduated with a Masters in Urban and Regional Planning from USF. Corey works on long range projects within the County such as the Comprehensive Plan, Land Development Code and the Census. Today, his presentation on the Census will include an introduction on the importance and different methods to complete it. Corey will also discuss what you will see on the census form, as well as concerns about confidentiality and security. The presentation will conclude with what's already been done, and how you can get involved to help spread the word.
