

A little old lady answered a knock on the door one day, to be confronted by a well-dressed young man carrying A vacuum cleaner. 'Good morning,' said the young man. 'If I could take a couple minutes of your time, I would like to demonstrate the very latest in high-powered vacuum cleaners. 'Go away!'' said the old lady. 'I'm broke and haven't got any money!'' and she proceeded to close the door.

Quick as a flash, the young man wedged his foot in the door and pushed it wide open... 'Don't be too hasty!'' he said. 'Not until you have at least seen my demonstration.' And with that, he emptied a bucket of horse manure onto her hallway carpet. Now if this vacuum cleaner does not remove All traces of this horse manure from your carpet, Madam, I will personally eat the remainder." The old lady stepped back and said, "Well let me get you a fork, 'cause they cut off my electricity this morning."

A 65 year old woman had a heart attack and was taken to the hospital. While on the operating table she had a near death experience. Seeing God she asked "Is my time up?" God said, "No, you have another 33 years, 2 months and 8 days to live." Upon recovery, the woman decided to stay in the hospital and have a face-lift, liposuction, breast implants and a tummy tuck.

She even had someone come in and change her hair color and brighten her teeth! Since she had so much more time to live, she figured she might as well make the most of it. After her last operation, she was released from the hospital. While crossing the street on her way home, she was killed by an ambulance. Arriving in front of God, she demanded, "I thought you said I had another 33 years? Why didn't you pull me from out of the path of the ambulance?" (You'll love this) **God replied: "I didn't recognize you."**
