

## Meet Our Speaker: Barbara Clare

Barbara Clare has worked for Pinellas County Schools for 25 years. She started her career as a middle school home economics teacher. She spent 6 years in the district office, one year as a training specialist, one year as a vocational achievement specialist, and four years as the Supervisor of Family and Consumer Sciences and Health Science Education. She then moved on to become an assistant principal at Boca Ciega High School as the medical magnet coordinator. From there she transferred to Seminole Middle School for a short stay as 8<sup>th</sup> grade assistant principal. She has just completed her 2<sup>nd</sup> year as Director of Seminole Vocational Education Center.

### RANDOM THOUGHTS:

1. When cheese gets it's picture taken, what does it say?
2. When someone asks you, A penny for your thoughts, and you put your two cents in, what happens to the other penny?
3. If lawyers are disbarred and clergymen defrocked, doesn't it follow that electricians can be delighted, musicians denoted?
4. When someone is impatient and says, "I haven't got all day," I always wonder, How can that be? How can you not have all day?
