FINANCIAL ADVISOR

Matthew T Lewis

CFP®

[8251 113th Street, Seminole, FL 33772](#)

I started my career at Edward Jones after graduating from Southern Illinois University with a degree in accounting and working as a financial consultant to several Fortune 500 companies with Deloitte. My experience solving complex financial problems helps me simplify the finances for my clients here at Edward Jones.

We focus on serving a select and limited number of individuals and families. We put their most important goals in view through an established process. Personalized attention allows me to understand the distinctive needs of each client and put all the pieces of their financial puzzle together. We partner best with families and business owners with complex financial pictures pursuing a work-optional lifestyle.

Outside of the branch, I love getting outdoors, whether that be playing pickleball at Crescent Lake in St. Petersburg, or hunting and fishing with family and friends. I proudly support pickleball events and organizations that help grow the sport amongst our youth and special needs groups throughout Florida. I am passionate about the health of our local waters and wildlife and partner with Captains For Clean Water to help spread awareness for the health of our estuaries here in Florida.

We care for our clients by keeping their best interests first and foremost throughout, so they can focus on what matters most.
