Rotary Guest Speaker Sharon Dresden May 27, 2026

Sharon Dresden was brought up in a military family. When she finished High School and some college courses, she decided to join the United States Army. Her training in Military Police School was in Ft McClellan, AL and then she was stationed at Ft Lee and Ft AP Hill in VA. Due to a military injury, Sharon was honorably and medically discharged.

Sharon was hired by Titusville Police Department as a 911 Dispatcher and served in that position for three years. When her daughter was old enough to start school, she sought out a weekly daytime position and was hired by McDonnell Douglas at the Florida Missile Plant as a Security Guard.

Sharon remained in that position until the plant closed. Sharon decided at that time to take advantage of the time off and finish her Associate Degree in Business Administration and Management.

Sharon was re-hired by McDonnell Douglas in Security Administration on the Delta Rocket Program which then became Boeing.

Sharon continued her career with Boeing and her last position was a Customer Service Manager in the Communications Department at her retirement.
