Presenting on Organization

Kathy Blair, the owner of KRB Move Management, found passion for the moving process during her uprooting and moving to Florida at the end of 2015. After 24 years in a suburb of Chicago, she lightened up and moved to smaller space in Tampa then smaller space in St Pete then another small space in Dunedin where she loves the proximity to downtown and Honeymoon Beach sunsets. She founded KRB Move Management in 2016 and became an LLC in 2017. With a mighty team of 10, KRB helps Customers move with grace and compassion. The team enthusiastically sorts, packs, coordinates movers if needed, unpacks, organizes, and settles whether it be to a new home, a senior living community or aging in place.
